# Rules

Players can only challenge up to 3 places above their current position.

Matches are best of 5 games to 11.

Results should be recorded on the adjacent results sheet.

In the spirit of the ladder a player must accept a challenge.

The challenge match must be setup and played within 10 days of the challenge date. The earlier the better.

Challenge matches can be played during the Saturday junior round robin but must be 'setup' in advance.

The ladder will be updated weekly.
